ANNOUNCEMENTS

Pop Show Changes

- Due to the NHS Induction Ceremony and our program's extremely high percentage of outstanding scholars, it is logistically impossible for us to hold our tech rehearsal on Thursday evening as originally scheduled. This leaves Friday as the only day for rehearsal at Cornerstone. A 3 hour practice directly after school, immediately moving into the concert will be stressful and unpleasant for all.
 - **Thursday's Tech Rehearsal is canceled**
 - All students will report to Cornerstone on Friday May 20th at 9am and be released at 3pm. (Many students are in multiple ensembles, we are playing multiple combined pieces, and bussing back and forth is an expense/supervisory commitment we can't make at this time)
 - Students will receive Teacher Field Trip Request Forms on Tuesday 5/17 in class
 - I understand that there may be concerns over class time so close to finals. Parents, please reach out to me on an individual basis and we will come to a solution.
 - **Call time for the Show will be 5:00pm for a short Dress Rehearsal and Ensemble Photos**
 - Doors open at 6:45pm for the concert
- We have an amazing and exciting show planned for you and thank you for your flexibility with this last-minute change.
- **The Pop Show Call Sheet below has been updated to reflect these changes.**
